# PRESIDENT'S MESSAGE

Together We Are Team Lions

Hello, Lions!

Boy, am I excited to be addressing you for the first time as your new International President. If you know me, you know I like making everything just a *little* bit fun. And if you don't know me, well, I hope you will come to know and love my approach to service—which is to do everything with a whole lot of energy and a smile.

People say I have a lot of energy, and they're right. And you know what, I intend on using every bit of it to lift you up and cheer you on this year. I know Lions have a lot of energy, too, and I know that together we can make big changes.

One person may look at all that needs to be done in this world and feel overwhelmed. But when you are a Lion, you are never just *one* person. You have a whole team of Lions behind you!

I want you to know that throughout my year as your president—and beyond—I will always be on your team. I will always be here to cheer you on. So I say, Let's be each other's biggest fans. Let's make it clear that when Lions put their energy into a project, they do it with a world of support behind them. We are one team—Team Lions.

You want to make big changes, you say? So do I. And together we can.

Yours in service,

*Brian E. Sheehan*
