Lead to Serve, Serve to Lead with International President A.P. Singh

The Lion journey is different for each of us, but one thing is the same: being a Lion changes you. As you serve, you're not only improving the lives of others, you're discovering your own potential.

Every act of service shows you the power you have to make a difference. Every role, every project, every effort teaches you leadership, compassion and growth. Each of us has something valuable to offer — and Lions help bring that out.

Lions are inclusive, so invite someone to join you on your Lion journey today. We want as many people as possible to be part of what we build and the good that we do. Together, we will strengthen our organization, the communities we serve and ourselves.

Together in service,

A.P. Singh
International President
