## Lead to Serve, Serve to Lead with International President A.P. Singh

---

### Dear Lion,

Whether you are a new Lion or have been a member for years, you are here because someone invited you to join. To help us grow our clubs and our service — and reach our *MISSION 1.5* goals — now it is your turn to invite someone else and share the joy that service brings.

Growth is essential for us to be able to continue to improve the service that Lions are known for around the world. We are a people-driven organization where service is at the heart of everything we do — and we need dedicated Lions like you to help us make an even greater impact together.

So invite friends and neighbors who have the heart to serve. Welcome diverse individuals and groups who will offer us fresh perspectives and energy. This is how we will keep our organization growing and thriving.

Growth benefits us all — our clubs, our communities and the people we serve. I look forward to seeing your club and your service grow.

Together we serve,

**A.P. Singh**  
**International President**
