Lead to Serve, Serve to Lead with International President A.P. Singh

As we approach the end of the year, this is the perfect time to reflect on our shared experience as Lions. While each of us brings something unique, it is our combined effort that creates the greatest impact.

When we come together in service, we achieve meaningful goals and show our communities the kindness and commitment Lions are known for. As Lions, we are never alone — we support one another, inspire one another and overcome challenges together.

There is still time to join forces this year and do something great. I look forward to seeing what you and your clubs accomplish together.

Together in service,

A.P. Singh
International President
